

# Task Force Marne Hero of the North

**NAME: SGT JENNA REESE**

**UNIT: 724<sup>th</sup> Transportation Co**

**HOMETOWN: NICHOLASVILLE, KY**

SGT Jenna Reese performed admirably as a Human Resources (HR) Sergeant for the 724<sup>th</sup> Transportation Company. She volunteered to serve as the NR NCOIC for the unit for several weeks before the actual NCOIC arrived in theater. She provided accurate and timely finance, medical, and other administrative support for over 150 Soldiers during the transitional period. Currently, she submits daily required rosters to battalion, tracks Soldiers' shot records and handles Leaves and Passes for the Company – all duties outside of her Food Specialist MOS. Her dedication to excellence and commitment to the unit's Soldiers assisted in making a seamless transition for the HR NCOIC into the section. To recognize her selfless service to her unit and its Soldiers, she is selected as today's Task Force Marne Hero of the North.
